

Austin C. Pruett

VIDEO PRODUCER

ABOUT

Video Producer with over a decade of experience in shooting, editing, and storytelling. Specializes in documentary filmmaking, branded content, and large-scale virtual and in-person events.

WORK EXPERIENCE

Steve Downes (2023-Present)

Video Producer & Content Strategist

- Produced, directed, shot, and edited video content for YouTube, Facebook, Instagram, and X
- Led content strategy and execution, growing the channel to over 100,000 subscribers and generating millions of views.
- Created both short-form viral content and in-depth documentary-style videos to enhance engagement

Opus Group (2021-Present)

Post-Production Specialist

- Led post-production for high-profile virtual events, including Amazon Career Day, delivering polished final content under tight deadlines.
- Produced and edited internal video content for Google, shaping effective corporate messaging through compelling visuals.
- Managed post-production for major clients, ensuring top-tier quality and efficiency in fast-paced environments.

AJL Media (2018-2022)

Video Producer

- Shot and edited both short-form and long-form political ads.
- Pitched and produced ad campaigns from concept to final publication for broadcast and social media.
- Filmed interviews, B-roll, and live event footage.
- Worked under demanding conditions, including 6-day, 70-hour work weeks, to meet tight deadlines.

Wilson Dow Group (2016-Present)

Video Producer

- On-site shooter and editor for conferences, sales meetings
- Led remote post-production on hundreds of internal videos, ensuring seamless editing and delivery
- Overnight turnaround, with client-facing reviews

Kartemquin Films (2017)

Post-Production Assistant

- Post-production assistant for Oscar-nominated documentaries *Minding the Gap* and *Abacus: Small Enough to Jail*
- Research assistant and graphic designer for '63 Boycott
